

**OUR PURPOSE:**

All activities—camps, retreats, venues, etc. must abide by principles set forth within the Vision and Mission of 6 Mile Ministries, LLC. 6 Mile exists for the glory of God, with the intention of encouraging its campers and various guests to encounter Almighty God and persevere in daily life. We attempt to do this by providing a location for guests to get away from routines and hoping all will allow God's presence, Scripture, quiet moments, and fresh air to minister in a simplistic, rustic, peaceful setting with breathtaking views of nature, as well as outdoor activities/opportunities.

Our beliefs align with the confessions of faith detailed in the [Baptist Faith & Message](#) and the articles of the [Nashville Statement](#). We ask that your group honor these principles and not contradict them with your conduct while on the 6 MILE property. Please review these documents if unfamiliar, before selecting 6 MILE for your event.

**OVERNIGHTS WITH MINORS:**

In order to host an overnight camp/retreat for guests under the age of 18 (minors) at 6 MILE, all groups are required to abide by the [Mississippi State Department of Health](#) regulations. To briefly summarize:

- Camp Director with experience in leading children (teacher, minister, etc.)
- ServSafe certified kitchen director (or select meals by 6 MILE)
- Nurse/Health Officer (CPR certified) to administer ALL medications and care for minor injuries (Campers will be required to turn in all medications to Health Officer. No medications are permitted in the cabins in campers' belongings)
- Lifeguard for all water activities (at least one will be provided by 6 MILE)
- At least one counselor age 18+ in each bunk cabin with minors

In addition to these requirements, we strongly encourage all staff to under-go training in appropriate care for minors. A reputable course is [Ministry Safe](#). At the very least, no two people should ever be alone and out of sight of others.

**ACCOMMODATIONS:**

For campers and counselors there are 3 girls' bunk cabins, which each sleep 10, and across the pond are 3 boys' bunk cabins, each sleeping 10. Girls' & Boys' Bunk cabins are served by a girls' bathhouse and a boys' bathhouse.

If needed for additional staff, we have a guest house which sleeps 6 and 2 ministry cabins which each sleep 2.

**KITCHEN & FOOD:**

There are two options for mealtimes: provide your own meals for a daily kitchen fee (requires presence of at least one ServSafe certified kitchen worker), or have meals provided by 6 MILE. No campers permitted in kitchen except for administering medications by Health Officer or circumstances requiring special attention.

**ACTIVITIES:**

Activity options range from playing basketball to zip-lining across the pond. Some activities are easily led by your staff/counselors. For some activities, special supplies may be required. For a few activities, we provide staffing as the equipment necessary requires trained personnel or the activity poses a bit more safety risk. You will find more details on the chart below. All activities requiring extra preparation/staffing by 6 MILE must be arranged prior to day one of your event. Last minute changes allowed by discretion of 6 MILE and depend on availability of necessary staff.

**GROUNDS & FACILITIES:**

- With your lease, you may use our Theatre for large group activities (it's also an excellent location for rainy day plan B activities). Our additional large group room (The Rec Hall) is undergoing renovations at this time.
- With your kitchen fee or payment for meals by 6 MILE, in addition to meal times you may use the Dining Room at the Mess Hall for group study times or game nights, should you choose.
- Your group is only permitted to use areas arranged in this lease agreement.
- Minors should not explore the grounds unsupervised.
- Parking is limited to the area across from the swimming pool.
- Garbage receptacles can be found all through the grounds, properly dispose of all garbage.
- All buildings used should be left cleared of garbage. Cleaning lists are posted in each building for groups to do simple clean up before leaving.

**DRESS CODE:**

As our priority is to provide an environment most suitable for our guests to experience Christ with as few distractions as possible, we require a reasonable dress code for all who utilize 6 MILE grounds.

TOPS: no gaping arm holes, no crop tops, no spaghetti strap tanks

(Undergarments should be completely covered)

BOTTOMS: shorts should be visible (not completely covered by shirt of any length), and meet fingertips in length, loose shirts should cover seat of biker short/legging

SWIMWEAR: shirts are preferred for all; for girls/ladies: absolutely no bikini swimsuits, choose one piece suits or dark shirts over suits.

**WHAT'S NEXT:**

Deposits are required to hold your date. Remaining balance is due upon arrival on day of event. You will need a firm count two weeks prior to event. If 6 MILE will be providing meals, we will prepare for the highest expected number of attendees, costs will reflect this number of meals. This will allow us to best prepare for your group as well as eliminate confusion over costs.

Each Participant must agree to:

- respect the Vision and Mission and beliefs of 6 MILE Ministries in word and deed while on property.
- respect all grounds and facilities according to above requests as well as common courtesies not listed.
- follow the required dress code detailed.
- sign waivers/have waivers signed by parent/guardian.
